Island Pearl Jewelry Trunk Show - On Display Exclusively for the Spouse Program

The Island Pearl's founder, Leighton Reeve is a former audiologist who travels extensively in India, Thailand, and China. She has always had a passion for jewelry, and with her many travels to the Far East, her artistic dreams were realized. She established direct connections with families to produce her beautiful pearl and semi precious stone designs.

Leighton's designs are all handmade and put together with stones and clasp purchases from around the world. Some items use antique Tibetan silver or Hill Tribe Thai silver that is 95.5% pure and hand made.

Scarves are a versatile accessory in a man or woman's wardrobe. Let our expert show you new ways to wear your scarves and pashminas. First guests will choose a pashmina scarf of their preferred color and find a seat. Next our expert stylist will demonstrate how to fold, fluff, tie and twist the scarves into new and fun ways. Even for the beach! Guests will take their scarf with them as a parting gift.
